

[Avalon Games] Our New Year's Resolution: MORE Games![]

Remember: When bringing your characters throughout at unknown area, keep the locals friendly and make them party-goers! They invite the characters to their gatherings, celebrate the turning of the season, perhaps celebrate the new year as per their customs....

And then they insist the player characters act as appropriate guests of honor and sacrifice one of their own as good guests do.

Here are this month's releases.

The true wonders of Arcana are explored in the monthly journals. Each issue focuses on a hex or faction within the game world, offering rumors, hidden lore, and detailed descriptions of all the important sites and people. Full-color maps (also offered in print-easy black and white) are provided, plus all sites of worthwhile note, such as towns and major adventure sites. Floor plans of castles and other locations are also offered.

In addition to this detailed write-up, each issue will also focus on other aspects of the game world, its history, important people, the Magi and gaming classes. When you add it all up, these journals take the mundane and make it magical. It is through the journals that the Arcana game world will grow, expand, and become a living place of adventure.

This issue includes...
