There's a Dollar Sale in September with Avalon Games!

Avalon will have our annual Dollar Day Sale the first of September. Everything for a buck, so get those games you have been waiting for!

Even bigger news...

Avalon Games will be running our first Kickstarter campaign come September. Yep, we are jumping into the deep end of the pool. Avalon Games will be offering our great fans the wonderful Avalon Solo Adventure System!

The Avalon Solo Adventure system is a way for you to play 5e D&D by yourself, controlling a party of adventurers as they seek out glory and great deeds.

The system is usable for:

* Anyone who has ever wanted to play a solo 5e D&D adventure,

* Anyone who has ever wanted to learn the rules for 5e D&D by playing a fully realized solo version of the game,

* Anyone that has wanted to play a solo 5e D&D adventure that takes their characters from acquiring their first adventure at an inn all the way up to defeating their evil nemesis,

* Anyone who has ever wanted to play a fully cooperative game without a Gamemaster sitting on the opposite side,

* And anyone who just has an hour or two and wants to play a game of 5e D&D.

It's all here: the inns, the monsters, the treasures, the secrets, and the story!

The Avalon Solo Adventure system (ASA) will offer you a fully realized campaign world, complete with towns, wilderness travel, set dungeons, randomized combat, special encounters, and a story—everything you need for a full campaign of 5e D&D.

Every aspect of the 5e D&D will be used during the course of the adventures of ASA, including combat, of course, but also skill use, character interaction, and the buying and selling of equipment within a limited kingdom economy.

Check it out the first of the month on Kickstarter.

Here are this month's releases.

Avalon is proud to present a series of 2D battle tiles for use in your games, be it an RPG, tabletop miniature, or for use by publishers and gamers in designing dungeon layouts.

Each set of these tiles comes as a layered PDF, allowing you to turn on or off set features on the tiles. This allows you to create hundreds of possible tiles from the single set.

Add to that the ability to buy more sets and combine them together and you have a great new tool at your fingertips for generated dungeons and environments for your gaming needs.

Each tile is set to a square equaling 5 feet, so you can use your collection of miniatures or paper models right sway.

This is a layered PDF product and you will need a PDF reader that allows the use of layers to fully incorporate this product. Avalon recommends that you have Acrobat 6.5 or higher, but any PDF reader that allows the use of layers will do just fine. These are large files because we have given you the best resolution and tons of options on each tile, so expect a longer download than you would normally have with an Avalon product.

This product offers a set of cave chambers that include:

Crystal forests, Mushroom groves, and much more!

Publishers Notes

These tiles may be used by publishers for their products, either as a PDF or in print. These tiles may be used to design maps and dungeon layouts in your products, either as a map or as a tactical battle tile. You may not, however, republish these tiles by themselves or as part of a collection.

Battle Axe 3.0

Battle Axe is a dice-less tabletop skirmish system that uses cards to determine both the character's actions and the outcome of those actions. Skill and the deployment of your War Band is all-important in this game, not luck or the roll of the dreaded dice.

The core game comes with the full-color rules and a print-friendly version of those rules. It also comes with the Fate Deck, both the Elven and Goblin Faction card decks and the following character decks: Elven Warrior, Elven Archer, and Elven Blade Dancer.

The goblins have the Goblin Thug, the Goblin Warrior, and the Goblin Archer.

Each month, new factions and all their characters card deck will be released, as well as several expansions.

All cards will also come in Print on Demand, so you can purchase all your cards pre-printed if you like.

This month we have the release of the whole Dwarf War band. We also have several other characters out this month, with the Ogre, the Troll, the Armored Troll, and the Giant.

Last, but not least, we have the second expansion to the system with new condition cards and faction objectives. If you're into dark alleys of corrupt cities, or plundering priceless treasures from heavily guarded vaults, then this is the setting for you.
