of castles and other locations are also available.

In addition to this detailed write-up, each issue will also focus on other aspects of the game world, its history, important people, the Magi and gaming classes. When you add it all up, these journals take the mundane and make it magical. It is through the journals that the Arcana game world will grow, expand, and become a living place of adventure.

This issue includes...

House Gulimordi

Belintha Index

Cult of the Magi

Songs of the West

Avalon is proud to present a series of 2D battle tiles for use in your games, be it an RPG, tabletop miniature, or for use by publishers and gamers in designing dungeon layouts.

Each set of these tiles comes as a layered PDF, allowing you to turn on or off set features on the tiles. This allows you to create hundreds of possible tiles from the single set.

Add to that the ability to buy more sets and combine them together and you have a great new tool at your fingertips for generated dungeons and environments for your gaming needs.

Each tile is set to a square equaling 5 feet, so you can use your collection of miniatures or paper models right sway.

Warning

This is a layered PDF product and you will need a PDF reader that allows the use of layers to fully incorporate this product. Avalon recommends that you have Acrobat 6.5 or higher, but any

PDF reader that allows the use of layers will do just fine. These are large files because we have given you the best resolution and tons of options on each tile, so expect a longer download than you would normally have with an Avalon product.

This set offers a series of Dwarf-inspired passages for a great adventure location.

Publishers Notes

These tiles may be used by publishers for their products, either as a PDF or in print. These tiles may be used to design maps and dungeon layouts in your products, either as a map or as a tactical battle tile. You may not, however, republish these tiles by themselves or as part of a collection.
